|------------------|-------------------|----------------------|-------------------------|--------------------------|--------------------|-------------------|

* **Affiliated:** Please indicate whether or not each individual is affiliated (other than as an IRB member) with the entity conducting the research or operating the IRB.

Y= The IRB member is affiliated with the entity conducting the research or operating the IRB

N= Other than as an IRB member, the individual is not affiliated with the entity conducting the research or operating the IRB

** **Status:** Choose one of the following for each member or alternate:

PS = Physician-Scientist

OS = Other Scientist

NS = Non-Scientist

SS = Social Behavioral Scientist

NOTE: Any individual who has had substantive training or experience in a scientific discipline or in the scientific method should be considered a scientist. In addition, the IRB must have members with sufficient knowledge of the specific scientific discipline(s) relevant to the research that it reviews.

Alternate Members: An alternate member(s) may be designated, as needed, for a regular voting member(s). The appointment of alternate member(s) should be based on expertise similar to that of the regular voting member(s).

NV - Non Voting

PV - Prisoner Representative, Provisional Member
