## Note to File Re: Statement of Investigator, Form FDA 1572

12/1/2022

As of November 30, 2022, the Duke University Health System Institutional Review Board (DUHS IRB) moved to a new location. Our new address is:

DUHS IRB  
Suite 900 Erwin Square  
2200 West Main Street  
Campus Box # 104026  
Durham, NC 27705

The telephone remains (919) 668-5111. There is no longer a Fax number for the office.

The FDA does not require that an updated or new 1572 be completed to reflect this change in information; however, FDA recommends that the investigator document the change in the clinical study records and inform the sponsor of the change.<sup>1</sup> This Note to File may serve as this documentation.

Please add this document to your study's regulatory files, and share it with your sponsor.
